

# ADVANCE

## MULTIPURPOSE GYMNASIUM SURFACE

### PERFORMANCE LAYER

- Exceeds coefficient of friction standards for improved athletic performance
- 2mm homogenous wear layer requires no finishes or coatings

### LOAD DISBURSEMENT LAYER

- Excellent reinforcement against bleachers, tables and chairs
- Gives athletes proper foot support and stability by generating force reduction
- Formulated for greater resiliency

### COMFORT LAYER

- Provides optimal shock absorption and energy return

### KEY BENEFITS

- Dual & triple durometer vulcanized construction
- Will not compress or break down over time
- Withstands static and rolling loads
- 20+ year life expectancy
- Non-porous surface is easy to maintain
- Lowest total cost of ownership

Texture: Satin matte

Two Layers  
New Generation - NG

I 15/64" (6mm)  
5/16" (8mm)

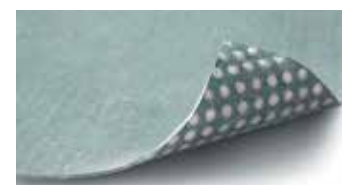

Three Layers  
Vulcanized

I 5/16" (8mm)  
3/8" (10mm)

Roll length may vary depending upon thickness.  
Custom colors available; minimum quantity required. The degree and type of marbleization will vary.

### EVERLAY T

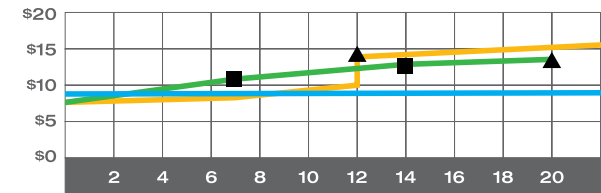

- Eliminates abatement cost
- Minimizes construction delays
- Increases thermal insulation
- Increases sound absorption
- Warranted up to 12 lbs. of moisture
- Allows for temporary installations which can be easily removed for use elsewhere
- Underlayment for moisture problems in renovation

I 0.05" (1.5 mm)

6' 7" (2.0 m)

### PROJECTED LIFE-CYCLE COSTS

Price Listed in Current U.S. Market 1 per sq. ft. \$

Legend:  
 - Foam Back Vinyl (Yellow line)  
 - Urethane (Green line)  
 - Mondo Advance (Blue line)  
 - Resurfacing (Black square)  
 - Tear Out and Replace (Black triangle)

### HEALTH AND SAFETY

- GREENGUARD Gold certified, the most stringent indoor air quality testing requirement
- 100% recyclable
- Fire resistant
- Free of phthalates, PVC, isocyanates, formaldehyde, halogens and heavy metals
- Excellent fungal, bacterial and microbial resistance throughout

“After careful consideration of options available for gymnasium flooring we decided to go with Mondo Advance, unless there was another product proven equal, which was a stipulation in the specifications. **We found that Mondo floors are great for minimal wear and tear and look amazing for years.** This floor is also beneficial for the school district because with limited funds, there is no need for waxing and high maintenance – just soap and water makes it look brand new again.”
